**OKC MEMORIAL MARATHON ANNOUNCES TIMING,
RESULTS AGREEMENT WITH FLEET FEET TIMING OF TULSA**
New timing technology assures faster, more accurate results

OKLAHOMA CITY – The Oklahoma City Memorial Marathon is pleased to announce an agreement with Fleet Feet Timing of Tulsa to provide timing and results services for the 8th annual event, held on April 27 in Oklahoma City.

"We're excited to join with Fleet Feet (www.fleetfeetiming.com) for this important service," said Thomas Hill, President of the OKC Memorial Marathon. "Runners expect and deserve accurate and timely recording of their results, and we're more than confident in Fleet Feet's ability to provide this for our event.

"Working with an Oklahoma-based company makes it all the better," Hill continued. "They're just up the road, so always and immediately available to us. And, they understand the Oklahoma standard, and are kindred with the mission of our event...that of honoring those lost on April 19, 1995, and performing with the highest of standards worthy of their memory."

Fleet Feet Timing will provide advanced, "real time" results for the first time in OKC Memorial Marathon history. This means data from the course will be streamed live to the www.okcmarathon.com for faster updates of the 'track your runner' web page.

The new technology brought by Fleet Feet will allow for faster and more accurate "official" results, available to media, participants, and spectators.

"We are thrilled to have been selected to be the timing and results partner for the largest and most important running event in Oklahoma", said Tim Dreiling, owner of Fleet Feet of Tulsa. "We have assembled a high quality team of professional timers from across the region that will bring a new level of technical expertise to the event.

"I am personally very honored to be part of the event in this way, having previously been a participant, media partner, expo exhibitor, and pace team sponsor for the Marathon," said Dreiling. "I've participated in some way in every OKC Memorial Marathon to date, and look forward to helping the race committee make the event the finest running event in the nation."

"We're proud to add Fleet Feet to the OKC Memorial Marathon family, and look forward to a long and productive relationship," Hill concluded.

The 8th running of the Oklahoma City Memorial Marathon is set for April 27, 2008. The event weekend includes marathon, wheelchair marathon, half marathon, 5-person relay, a Kid's Marathon and the 5K Memorial Walk. In addition, there will be a fitness exposition, a pre-race pasta party held at the Oklahoma City National Memorial and a moving sunrise prayer service the morning of the race.
