

THE OKLAHOMA CITY MEMORIAL KIDS MARATHON AND CLEATS FOR KIDS IMPACTING STUDENT'S LIVES

Playing sports and being part of a team can positively impact a child's life. In addition to health and fitness, participating in sports teaches kids lessons inside and outside the classroom. The Oklahoma City Memorial Kids Marathon connects running and fitness with important lessons about the history and mission of the Memorial Museum. The Kids Marathon also gives every runner an opportunity to be a part of the Oklahoma Standard.

This Thursday, the Oklahoma City Memorial Kids Marathon joins Cleats for Kids as they provide new running shoes for more than 175 Kids Marathoners at Santa Fe South Elementary School.
